Re: Follow-up Request for Information (RFI) regarding Ellucian and Ferrilli Contracts

Dear Gina,

Please accept this letter as a follow-up formal **Request for Information (RFI)** to the Yosemite Community College District. In the previous RFI submitted on March 30, 2017, the YFA requested the 2016 total compensation information for several District administrators. Thank you for providing information in the spreadsheet format by the requested deadline. Given the current discussions surrounding the faculty's total compensation (Article 14, *YFA Contract*), the YFA is submitting this follow-up RFI seeking relevant and necessary to determine the District's approach to District expenditures. These expenditures affect what can be potentially bargained by the YFA. Please provide this information by 5:00pm on Thursday, May 4, 2017.

**Specifically, the YFA is requesting the following information:**

1. Itemized invoices which specify the services provided for in each purchase order. (See the attached "Purchase Order List" and the "Purchase Order Timeline.")
2. Copies of the actual contracts for each of the purchase orders from these same attached lists.
3. Amount of monies, salaries, and anything considered compensation to Ellucian, Ferrilli, and Dan Duffy. Include travel and other expenses paid for by the District.
4. All bids, in accordance to the California Public Contract Code ([Article 41](#)), that competed with Robert Ferrilli LLC for the YCCD contract, the dates the District advertised for these bids, and the names of the newspapers or other media used to advertise for these bids. (See attached copy of our email exchange from April 17, 2017).

Please feel free to contact me if you need clarification about the information being requested.

Sincerely,

A handwritten signature in blue ink that reads 'Jim Sahlman'.
