

05-1006

Where a member of the governing board of a community college district receives retirement health benefits from the district as a former faculty member in an amount that is required by contract to be equal to the amount of health benefits the district provides to current faculty members under the terms of a collective bargaining agreement, may the governing board renegotiate the amount of health benefits provided under the current collective bargaining agreement?

Where a member of the governing board of a community college district receives retirement health benefits from the district as a former faculty member in an amount that is required by contract to be equal to the amount of health benefits the district provides to current faculty members under the terms of a collective bargaining agreement, the governing board may renegotiate the amount of health benefits provided under the current collective bargaining agreement so long as the financially interested board member does not participate in the decision-making process.
