

**YFA Rep Council Meeting**  
**March 21, 2017**  
**Highlights**

General Faculty Meeting

Please join us on Friday, April 20, from 11:30-1:30 pm at the Gene Bianchi Community Center in Oakdale for a **potluck** general meeting. We will talk about impasse, negotiations, and next steps. Please bring a dish to share and RSVP to the invitation email that Geri Wend sent.

Report by Faculty Liaison to the Board

All faculty are encouraged to **complete the MJC President Search survey** that Chancellor Henry Yong emailed. The survey closes on Monday, March 26, at noon. Also, be aware that you need to complete the survey as emailed to your email (do not forward it and do not send each other the link). Apparently, the link is tied to your computer so if you send the email or the link that you received to a colleague, that person will have submitted your survey.

Negotiations Update

YFA is filing for impasse, which we anticipate being submitted by Friday, March 24, 2018. Jim will send information about the impasse process to the faculty with the next edition of *The More You Know*.

In light of this possible outcome, faculty need to be saving one-month's salary.
